Dear Shareholder,

Annual General Meeting 2021

I am pleased to provide you with details of the upcoming Annual General Meeting (“AGM”) of Access Intelligence plc (“the Company”) which will be held at The Johnson Building, 79 Hatton Garden, London, EC1N 8AW at 10:00am on Thursday 13 May 2021. The formal Notice of the AGM (“Notice”) is set out on pages 5 to 7 of this document and this letter gives an explanation and summary of the items of business to be transacted at the AGM.

In light of the ongoing measures by the UK Government to contain COVID-19 including restrictions on public gatherings, which are in place at the time of issuing the Notice, this year’s AGM will, as in 2020, be a closed meeting with the minimum attendance required to form a quorum. Shareholders will not be able to attend in person but can be represented by the Chair of the meeting acting as their proxy. Ensuring the health and safety of our shareholders is always our utmost priority. We will continue to monitor the situation and the latest available public health guidance and will provide updates in relation to our AGM on our website at www.accessintelligence.com/investors/reports-and-results/.

Please note that the Annual Report and Accounts for the period ending 30 November 2020 together with the Notice and Form of Proxy, are also available on the Company’s website, www.accessintelligence.com.

Explanation of AGM Business

Resolutions 1 to 6 (inclusive) are proposed as ordinary resolutions. To be passed, more than half of the votes cast must be in favour of these resolutions. Resolutions 7 and 8 are proposed as special resolutions. This means that for each of the special resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

ORDINARY RESOLUTIONS

Resolution 1 – Annual Report and Accounts

The Directors are required by law to present to the meeting copies of the audited accounts of the Company, Directors' Report and the independent auditor's report for the year ended 30 November 2020. These documents are contained in the Annual Report 2020, which is available on the Company's website, www.accessintelligence.com.

Resolutions 2 and 3 - Directors

The Company's Articles of Association require any person who has been appointed as a Director by the Board of Directors since the date of the Company's last AGM to retire at the next AGM following their appointment. On 30 March 2021, the Company announced the appointment of Sarah Vawda as a non-executive director. Accordingly, Sarah will retire from office at the AGM and will stand for election by the Company's shareholders.

Under the Company's Articles of Association, one third of the Directors are required to retire each year. As such, Mark Fautley and Michael Jackson retire from the Board by rotation. Mark Fautley intends to submit himself for annual re-election by the Company's shareholders. As announced on 30 March 2021, Jeremy Hamer and Michael Jackson will step down from the Board at the conclusion of this AGM and Michael Jackson will therefore not seek re-election.

These re-appointments shall take effect at the conclusion of the AGM. Biographies of all directors are set out on pages 42 to 45 of the Company's Annual Report and on its website, www.accessintelligence.com.

Resolutions 4 and 5 – Re-appointment and Remuneration of the Auditor

The Company proposes the re-appointment of the Company's existing auditors, Mazars LLP, until the conclusion of the next general meeting of the Company at which accounts are laid. Shareholders are also asked to grant authority for the Board to determine the auditors' remuneration. In practice, the Audit Committee will consider the audit fees for recommendation to the Board.

Resolution 6 – Directors' Authority to Allot Shares

Shareholders are being asked to grant the Directors the authority to allot shares in the Company. Sub-paragraph (a) of this resolution will, if passed, authorise the Directors to allot the Company's shares up to a maximum aggregate nominal amount of £1,411,331 representing approximately one-third of the issued ordinary share capital of the Company, excluding treasury shares as at 14 April 2021 being the last practicable date before publication of this document. This authority will expire at the conclusion of next year's AGM or, if sooner, on the date that is 15 months from the date of this year's AGM being 12 August 2022. In addition, sub-paragraph (b) of this resolution will, if passed, authorise the Directors to allot further shares in the Company up to a maximum aggregate nominal amount of £1,411,331 representing approximately a further one-third of the issued ordinary share capital of the Company, excluding treasury shares as at 14 April 2021 being the last practicable date, in connection with a fully pre-emptive rights issue.

The directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines in order to respond to market developments and to enable allotments to take place. If the directors do exercise the additional authority, they intend to follow continuing best practice as regards its use (including the directors standing for re-appointment in certain

circumstances) as recommended by The Investment Association and the Pensions and Lifetime Savings Association. The directors have no present intention of allotting, or agreeing to allot, any shares otherwise than in connection with the Company's employee share schemes, to the extent permitted or required by such schemes.

As at 14 April 2021, the Company held 2,966,666 ordinary shares in treasury, which represents approximately 3 per cent of the total ordinary share capital including treasury shares in issue at that date being the last practicable date before publication of this document.

SPECIAL RESOLUTIONS

Resolution 7 – Disapplication of Pre-emption Rights

This resolution supplements the Directors' authority to allot shares in the Company given to them by resolution 6. The resolution, if passed, authorises the Directors to issue ordinary shares for cash, either by way of a rights issue or offer to existing shareholders or to other persons on a non-pre-emptive basis, provided that any issue for cash to such persons on a non-pre-emptive basis shall not exceed £438,233 representing 8,764,651 new ordinary shares of 5 pence each (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which is equivalent to approximately 10 per cent of the Company's issued ordinary share capital including treasury shares as at 14 April 2021 being the last practicable date before publication of this document. The Board considers that, given the Company's size, market position and general liquidity, an overall authority of 10% is appropriate. However, your Board intends that in the event of the authority or any part of it, being utilised, in doing so it will follow the Statement of Principles set out by the Pre-Emption Group. These are that 5% would be applied on an unrestricted basis and, in the event that the additional 5% were to be employed, this would be utilised exclusively for the purposes of an acquisition or a specified capital investment. This is in line with the level of authority sought at the Company's last annual general meeting. Shareholders will note that this resolution also relates to treasury shares and will be proposed as a special resolution.

The authority will be effective until the conclusion of the next AGM of the Company or, if sooner, 12 August 2022.

This resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders.

Resolution 8 – Authority to Purchase Own Shares

In certain circumstances, it may be advantageous for the Company to purchase its own shares and this resolution seeks the authority from shareholders to continue to do so. The directors would exercise this power only when, in the light of market conditions, they believe that the effect of such purchases will be to increase earnings per share and is in the best interest of the shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority.

Companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. Treasury shares do not attract voting rights or dividends whilst held in treasury. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares.

The maximum number of ordinary shares that may be acquired is 4,233,992 (approximately 5 per cent of the Company's issued ordinary share capital, excluding treasury shares as at 14 April 2021 being the last practicable date before publication of this document) and the maximum and minimum prices at which they may be bought is set out in the Notice.

Recommendation

The Directors consider the adoption of each of the resolutions set out on pages 5 to 7 of the Notice to be in the best interest of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that shareholders vote in favour of each of the proposed resolutions, as they intend to do in respect of their own beneficial shareholdings.

Yours faithfully

Christopher Satterthwaite
Chairman
